

Many congratulations to you both on your forthcoming wedding.

Thank you for enquiring about our wedding celebrations at the Gower Golf Club. Here at Gower Golf club we are not just a club. We are open to non members and hold many types of functions. We are a friendly family run business who really do care. The old farmhouse has been a golf club for almost fourteen years, and in the Richards family since the 1600's.

We hold a civil ceremony licence (and give you totally private rooms for you and your guests to enjoy while we do a swift room turn around, at no extra cost)

We also have eleven four star ensuite rooms. One of which is our bridal suite, this comes complimentary with the wedding day pack

We can boast about our breathtaking views, which really do take some beating.

There are no hidden extra costs with this package, no linen charge, no room hire (unless for a civil ceremony), no appointment charge, and all inclusive of vat.

your wedding day is as important to us as it is to you. We have an excellent team of highly professional experienced staff that are on hand to look after you and your guests throughout the day. We are available to give you as much help and advice as you need to make your day a memorable and perfect one.

Simply call Beverley for a friendly no obligation visit, or more information.

We wish you Good Luck with your future plans.

Yours Sincerely,

Beverley Richards (Director)
